

Dear Parents,

As another school year comes to a close, I would like to thank each and every one of you for your continued support of ComQuest Academy and the work that we do here. I am so grateful to work with dedicated teachers and staff that truly go the extra mile to get the best out of our students. Our hardworking teachers do their best work with students that are willing to try and do their best so thank you for encouraging your students to do so.

May is a time to reflect on the current school year and to start planning for the upcoming school year. Please consider continuing with us for the 2017-2018 school year and letting your friends and neighbors know about ComQuest. This week you will be receiving a Letter of Intent through your students. Please complete, sign and return the form to school by **Friday, May 12, 2017**.

The final progress report of the year was sent home on Friday, May 5, 2017. Please review your student's progress reports for important teacher comments. If you need an additional copy of a progress report, one can be obtained through the school office.

Final exams start on **Friday, May 12** and are scheduled to conclude on **Thursday, May 18, 2017**. After exams students will be working on projects and some other fun activities. **Wednesday, May 24** is Career Day. Students will be attending a whole day of informational sessions. Thank you to Mrs. Foster and Ms. Vesey for organizing all of our guest speakers. Students may wear business professional or business casual attire for Career Day.

Have a nice week!

Ms. Garza
