

**Dear Parents,**

**I hope that you all have had an enjoyable summer thus far. We have just about finished closing up the school year and are getting ready for the 2018-2019 school year. You will find a link to the 2018-2019 calendar at the bottom of this webpage and our newsletter for the school year that we just completed on the Links & Resources page.**

**If you are the parent of a graduate, thank you for allowing us to educate your students. They are each so special to us and we look forward to hearing about all of the great things they do. I hope that they will always remember their time at ComQuest fondly.**

**If you are the parent of a student that is returning for the 2018-2019 school year, we look forward to seeing each of you and your students again. Thank you for the support and we are eager to see your students participate in a ComQuest Graduation Ceremony soon. We will start contacting you all to make appointments to complete paperwork in a couple of weeks.**

**If you are the parent of a student that will start ComQuest for the first time in August 2018, welcome! I cannot wait to get to know each of your students and help them achieve their very best.**

**ComQuest shirts have been ordered. I will send out a message once we have them on campus for purchase.**

**Once again, thank you all for enrolling your students at ComQuest. We love and appreciate when you all refer students to us. Please make sure to let anyone you know that might benefit from ComQuest to contact our school office to get information and schedule a tour to see our campus and meet some of our staff. Thank you in advanced for helping us with enrollment!**

**Sincerely,**
